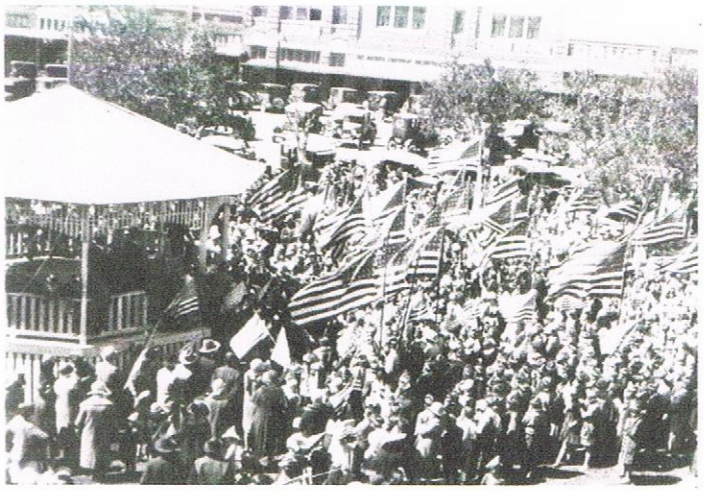
The year 2011 will mark Slaton's 100th Birthday!

Plans for a great celebration on July 1-July 4 are being coordinated by volunteer members of the Slaton Centennial Committee and the Slaton Legacy Organization, Inc.

As part of the celebration we would like to rebuild the gazebo on the downtown square. The downtown area has always had a gazebo however our gazebo was demolished two years ago as it was not repairable.



Slaton Gazebo circa 1926.

To realize our dream of rebuilding our beloved gazebo we will be required to raise $40,000. The Slaton Legacy Organization, Inc. has agreed to spearhead this effort. Our hope is to rebuild the gazebo to resemble the original 1920s structure as closely as possible. While this is a noble cause we can't do this alone and are asking you for your help.

If you wish to help rebuild the gazebo, please send your donation to the Slaton Legacy Organization, P.O. Box 433, Slaton, Texas 79364. This is a base organization for current and future projects to benefit the Slaton community. The organization has applied for 501(c) 3 status so your contribution will be tax deductible.

A **$100 level** is also available with a brick inscribed with your name and placed on the pathway to the gazebo. All contributions, of any amount, will be greatly appreciated.

Please complete the form below and it return with your gazebo contribution to Slaton Legacy Organization, Inc., P. O. Box 433, Slaton, TX 79364 OR to 109 S. 9th Street, Slaton, TX 79364

Name _____ Address _____

Phone _____ Email address _____

Amount of Gift - _____

Please print the name, as it should appear on the brick (if applicable).
