

SUMMER CLEAN UP

SPRING CLEANING IS DONE!

IT'S TIME NOW TO GET DOWN TO SOME SERIOUS
CLEANING AND FIXING!

The abundance of recent rains has had a blossoming affect on our community. So much so that the City has increased their summer youth crew to help clean up. They are working diligently cleaning alleys, parks and other areas around town.

YOU CAN TOO!

Beginning June 15th, access to the Recycle Center will be free to Slaton residents. Extended operating days and hours are to accommodate our residents as they clean their property.

Take advantage of this time to do some serious trimming and mowing. Don't forget the alleys. This is your chance to get rid of that old lumber, limbs, appliances, metal, concrete and other household items. Please note, that tires will retain their \$2.00 disposal fee.

Starting July 6th, Violation Letters will be sent out to property owners who have not maintained their property, indicating code violations that need to be corrected.
